

Amendments to the Drawings:

The attached sheet/s of drawings includes changes to Figs. 1A, 1B, and 1C. Please replace the originally filed sheets with the attached replacement sheet/s.

Figures 1A, 1B, and 1C were objected to for failing to be designated by a legend such as -Prior Art--, because only that which is old is illustrated. Applicant herewith submits replacement sheets containing Figs. 1A, 1B, and 1C, each with the designation --Prior Art-- indicated in red for Examiner's approval. Applicant respectfully requests approval of the proposed changes, and withdrawal of the objection.

Attachment/s: Proposed Drawing Amendment sheets (2).
